

Greetings from **Living Water!**

We hope and pray you are doing well during this chaotic time. We are Christians on campus who want to share the **love of Jesus Christ** and help the community in any way we can. You may have bumped into us on the Street while we were giving out sandwiches and water, or seen us in your classes, or we may just be your best friends♥.

WANT A FREE (CLEAN) GOODY BAG?

To help out during this unfortunate situation, we will be giving out goody bags containing CANDY, a miniature HAND SANITIZER, a WATER BOTTLE, and PAMPHLET, ***in regulation with campus policy***, to anyone who is still on campus. Please fill out [this form](#) if you would like to receive a goody bag. They will be delivered safely, with no human contact.

While this is a crazy, unpredictable time, there is a **hope** we have that remains constant—**JESUS!** For those of us in Jesus, we do not need to fear tomorrow because we know He is in control. Not only do we have the promise of eternal life through Him, we also have the promise of living every day on Earth with Jesus Christ as our Lord and Savior who will never forsake us. This promise is not something we have earned but rather a byproduct of his **overflowing grace**, which is for **anyone** (*including you! yes, you!*) who is willing to accept him as their one and only **LORD** and **SAVIOR**.

If you are interested in finding out more about Christianity or have any questions, check out princetonlivingwater.org for encouragement and podcast, song, and sermon recommendations!

Let us know if there's anything we can pray for you about or if you want to talk!

With Love,
Living Water Fam

“On the last day of the feast, the great day, Jesus stood up and cried out, ‘If anyone thirsts, let him come to me and drink. Whoever believes in me, as the Scripture has said, ‘Out of his heart will flow rivers of living water.’” (John 7:37-38)
